Dear CFS Industry Member:

On behalf of the Mid-Atlantic Steel Framing Alliance, we would like to ask you for your membership and support of our organization in 2027. Without the generous contributions from you and other local companies interested in cold-formed steel framing our non-profit organization would not be sustainable.

We would also like to take this opportunity to once again thank our 2026 sponsors:

MASFA continues to bring together top-notch education sessions to benefit our members mixed with networking and fun! Our quarterly in-person dinners & TopGolf event are strategically located in Virginia and Maryland to suit all sides of the DC Metro, and the greater Richmond area.

Our membership and sponsorship rates for 2027 will again remain unchanged as the previous few years so it benefits both sides to support MASFA by sponsoring again this year. This comes as we want to make sure that our rates are not a burden to prevent participation in this great organization.

Your membership dues and sponsorship fuel the engine that keeps our organization running. MASFA cannot operate without the support from local businesses and national companies with local interests in the Mid-Atlantic region. Please help us continue to provide a strong environment for educating the design and construction community on cold-formed steel framing.

Enclosed you will find information on membership and sponsorship levels and all the benefits your membership and sponsorship entitle you. If there is any other way that we can assist the industry, please do not hesitate to contact me. Thank you for your consideration.

Yours truly,

David Huff
MASFA President – C.J. Coakley Co., Inc.

2026 MASFA Board of Directors

Jeffrey Klaiman – ADTEK Engineers, Inc. (Vice President)
Nader Elhajj – FrameCAD (Treasurer)
Steve Beach – Specified Technologies Inc. (Secretary)
Howard Good – Aerosmith Fastening Systems (Social Media)
Chuck Webb – ClarkDietrich Building Systems
Andrew Heinbaugh – Capitol Bldg. Supply
Matthew Estrem – Hilti North America
Bill Withers – L&W Supply
Jeff Rutledge – Simpson Strong-Tie
