Dear CFS Industry Member:

On behalf of the Mid-Atlantic Steel Framing Alliance, we would like to ask you for your membership and support of our organization in 2025. Without the generous contributions from you and other local companies interested in cold formed steel framing, our non-profit organization would not be sustainable.

We would also like to take this opportunity to once again thank our 2024 sponsors:

**2024 SPONSORS**

PLATINUM SPONSORS

GOLD SPONSORS

SILVER SPONSORS

MASFA continues to bring together top notch education sessions to benefit our members mixed with networking and fun! Our quarterly in-person dinners & TopGolf event are strategically located in Virginia and Maryland to suit all sides of the DC Metro.

Our membership and sponsorship rates for 2024 will again remain unchanged as the previous few years so it benefits both sides to enter into sponsorship again this year. This comes as we want to make sure that our rates are not a burden to prevent participation in this great organization.

Your membership dues and sponsorships fuel the engine that keeps our organization running. MASFA cannot operate without the support from local businesses and national companies with local interests in the Mid-Atlantic region. Please help us continue to provide a strong environment for educating the design and construction community on cold-formed steel framing.

Enclosed you will find information on membership and sponsorship levels and all the benefits your membership and sponsorship entitle you. If there is any other way that we can assist the industry, please do not hesitate to contact me. Thank you for your consideration.

Yours truly,

David Huff  
 MASFA President – CJ Coakley

**2024 MASFA Board of Directors**

Jeffrey Klaiman – ADTEK Engineers (Vice President)  
 Nader Elhadj, PE – FrameCAD Solutions (Treasurer)  
 Steve Beach – Specified Technology (Secretary)  
 Howard Good – Aerosmith Fastening Systems  
 Gary Engleman – Atlantic Hardware Supply  
 Chuck Webb – Clark Dietrich

Andrew Heinbaugh - Capitol Bldg Supply  
 Matt Estrem - Hilti  
 Scott Henry –L&W Supply  
 Jeff Rutledge – Simpson Strong-Tie
